To: The Shareholders of the Company

Dear Sir/Madam,

1. INTRODUCTION

The Directors refer to:

- (a) the Notice of AGM, accompanying the Annual Report to convene the 2017 AGM; and
- (b) Ordinary Resolution No. 10 relating to the proposed modifications and renewal of the Shareholders' Mandate.

The purpose of this Appendix is to provide Shareholders with the relevant information relating to, and to explain the rationale for, the proposed modifications and renewal of the Shareholders' Mandate, and to seek Shareholders' approval for the same at the 2017 AGM.

2. PROPOSED MODIFICATIONS AND RENEWAL OF THE SHAREHOLDERS' MANDATE FOR INTERESTED PERSON TRANSACTIONS

2.1 The Existing Shareholders' Mandate

Chapter 9 of the Listing Manual permits the Company to obtain a mandate from its Shareholders for recurrent Interested Person Transactions which are of a revenue or trading nature or for those necessary for its day-to-day operations. These transactions may not include the purchase or sale of assets, undertakings or businesses which are not part of the Company's day-to-day operations. Under Chapter 9 of the Listing Manual, a general mandate for transactions with Interested Persons is subject to annual renewal.

The Shareholders' Mandate was approved by Shareholders by way of written resolutions on 27 June 2016. Pursuant to Rule 920(2) of the Listing Manual, the Company may treat a general mandate as having been obtained from Shareholders for the Group to enter into Interested Person Transactions, if the information required under Rule 920(1)(b) of the Listing Manual is included in the Company's prospectus issued in connection with its initial public offering and admission to the Official List of the SGX-ST. Please refer to the prospectus dated 12 July 2016 issued by the Company for the information required by Rule 920(1)(b) of the Listing Manual.

LETTER TO SHAREHOLDERS

The Shareholders' Mandate is effective until the 2017 AGM to be held on 27 April 2017, and the Company thus seeks the approval of Shareholders for modifications and renewal of the Shareholders' Mandate at the 2017 AGM.

2.2 Proposed Modifications of the Existing Shareholders' Mandate

Interested Person Transactions between the Group and DeClout and its subsidiaries (collectively, the "**DeClout Group**") which are covered by the existing Shareholders' Mandate encompass:

- (a) services rendered by key executives of the Group to the DeClout Group;
- (b) purchases of IT hardware and equipment and Lifecycle Services from the DeClout Group;
- (c) provision of IT hardware and equipment and Lifecycle Services to the DeClout Group;
- (d) provision of Shared Services by the DeClout Group to the Group;
- (e) back-end IT Support Services from Acclivis; and
- (f) operational support services from PT Acclivis.

In conjunction with the renewal of the Shareholders' Mandate, the Directors are proposing to modify the Shareholders' Mandate by:

- (i) widening the classes of Mandated Interested Persons from the DeClout Group to DeClout and its Associates (collectively, the "**DeClout IPT Group**"), in alignment with the definition of Interested Persons in the Listing Manual;
- (ii) deleting services rendered by key executives of the Group to the DeClout Group, as such services are no longer required;
- (iii) deleting transactions between the Group and each of Acclivis and PT Acclivis covered under the Shareholders' Mandate, as such transactions have ceased to be Interested Person Transactions further to the Acclivis Disposal; and
- (iv) incorporating two (2)-tier review and approval requirements for the approval thresholds, as follows:
 - a. where the aggregate value of the Mandated Transactions is of an amount of more than 5.0% and less than 10.0% of the latest audited consolidated NTA of the Company, any Mandated Transaction thereafter which is equal to or less than S\$20,000 in value will be reviewed and approved by the CFO and any Mandated Transaction thereafter which exceeds S\$20,000 in value will be reviewed and approved by the Global CEO; and

LETTER TO SHAREHOLDERS

- b. where the aggregate value of the Mandated Transactions is of an amount of more than 10.0% of the latest audited consolidated NTA of the Company, any Mandated Transaction thereafter which is equal to or less than S\$50,000 in value will be reviewed and approved by the Global CEO and any Mandated Transaction thereafter which exceeds S\$50,000 in value will be reviewed and approved by the Audit Committee.

The Company is proposing to incorporate two (2)-tier review and approval requirements for the approval thresholds, which delegate responsibility for the review and approval of certain Mandated Transactions from the Global CEO to the CFO and from the Audit Committee to the Global CEO, to facilitate transactions with Mandated Interested Persons in the normal course of business. As the Global CEO and the CFO are more familiar with the business and operations of the Group, they are well placed to approve transactions below certain thresholds in an expedient manner. In determining the revised approval thresholds, the Board took into account, amongst others, the volume, recurrent frequency and transaction size of the Mandated Transactions as well as the Group's day-to-day operations and administration.

The modifications proposed to be made to the Shareholders' Mandate are reflected in greater detail in Annex A to this Appendix, where each proposed addition is underlined, and each proposed deletion is marked with a strikethrough, for Shareholders' ease of reference. Save as reflected in Annex A to this Appendix, no other modifications are proposed to be made to the Shareholders' Mandate and all other terms of the Shareholders' Mandate sought to be renewed remain unchanged.

2.3 Proposed Renewal of the Shareholders' Mandate

The Directors propose that the Shareholders' Mandate, as proposed to be modified, be renewed at the 2017 AGM. The renewal of the Shareholders' Mandate, as proposed to be modified, will authorise an Entity at Risk to enter, in the ordinary course of business, into Mandated Transactions with Mandated Interested Persons, being the DeClout IPT Group, provided that such transactions are made on normal commercial terms and are not prejudicial to the Company and its minority Shareholders, and are entered into in accordance with the review procedures for such transactions.

If renewed by Shareholders at the 2017 AGM, the Shareholders' Mandate will take effect from the passing of the Ordinary Resolution relating to the proposed modifications and renewal of the Shareholders' Mandate at the 2017 AGM, and will (unless revoked or varied by the Company in a general meeting) continue in force until the next AGM or the date by which the next AGM is required by law to be held, whichever is earlier, at which point in time, the Company will seek Shareholders' approval for a renewal of the Shareholders' Mandate, subject to satisfactory review by the Audit Committee of its continued application to the transactions with the Mandated Interested Persons.

2.4 Further Information

Details of the Shareholders' Mandate, as proposed to be modified, including the class of Interested Persons, the nature of the transactions contemplated under the Shareholders' Mandate, the rationale for and benefits of the Shareholders' Mandate and the review procedures for Interested Person Transactions are set out in Annex A to this Appendix.

LETTER TO SHAREHOLDERS

2.5 Opinion of the IFA

Pursuant to Chapter 9 of the Listing Manual, SAC Capital has been appointed as the independent financial adviser to the Non-Interested Directors to opine on whether the review procedures as set out in Annex A to this Appendix, if adhered to, are sufficient to ensure that the Mandated Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

Having considered, *inter alia*, the rationale for, and benefits of, the Shareholders' Mandate, the methods or review procedures of the Company for determining the transaction prices of the Mandated Transactions under the Shareholders' Mandate and the role of the Audit Committee in enforcing the proposed Shareholders' Mandate, and subject to the qualifications and assumptions made in the IFA Letter, SAC Capital is of the opinion that the review procedures, as set out in Annex A to this Appendix for determining the transaction prices of the Mandated Transactions, if adhered to, are sufficient to ensure that the Mandated Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

The IFA Letter is reproduced in Annex B to this Appendix. Shareholders are advised to read the IFA Letter carefully and consider it in the context of this Appendix.

2.6 Statement of the Audit Committee

The Audit Committee comprises Mr. Ng Loh Ken Peter (Chairman), Mr. Ho Chew Thim, Mr. Wong Quee Quee, Jeffrey and Mr. Lim Swee Yong. In view of Mr. Ho Chew Thim being the lead independent director of DeClout and Mr. Lim Swee Yong being the Head of Corporate Office of DeClout, they have abstained from the Audit Committee's statement below.

The Audit Committee (comprising Mr. Ng Loh Ken Peter and Mr. Wong Quee Quee, Jeffrey, with Mr. Ho Chew Thim and Mr. Lim Swee Yong abstaining for the reasons explained above), having considered the terms of the Shareholders' Mandate (as proposed to be modified and renewed at the 2017 AGM), is of the view that the review procedures, as set out in Annex A to this Appendix for determining the transaction prices of the Mandated Transactions, if adhered to, are sufficient to ensure that the Mandated Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

If, during the periodic reviews by the Audit Committee, the Audit Committee is of the view that the established review procedures are inadequate or inappropriate to ensure that the Mandated Transactions will be on normal commercial terms, and will not be prejudicial to the interests of the Company and its minority Shareholders, or in the event of any amendment to Chapter 9 of the Listing Manual, it will, in consultation with the Board, take such action as it deems proper in respect of such procedures and/or modify or implement such procedures as may be necessary and direct the Company to revert to Shareholders for a fresh mandate based on new guidelines and procedures for transactions with the DeClout IPT Group.

LETTER TO SHAREHOLDERS

4. NON-INTERESTED DIRECTORS' RECOMMENDATIONS

The Directors who are considered independent for the purpose of the proposed modifications and renewal of the Shareholders' Mandate are Mr. Thomas Sean Murphy, Mr. Ng Loh Ken Peter and Mr. Wong Quee Quee, Jeffrey (the "**Non-Interested Directors**"). The Non-Interested Directors are of the opinion that the entry into Interested Person Transactions between the Group and the DeClout IPT Group in the ordinary course of business will enhance the efficiency of the Group and is in the best interests of the Company. For the reasons set out in the section entitled "*Rationale for and Benefits of the Shareholders' Mandate*" of Annex A to this Appendix, and taking into account the opinion of SAC Capital as set out in section 2.5 of this Appendix, the Non-Interested Directors recommend that Shareholders vote in favour of Ordinary Resolution No. 10, being the Ordinary Resolution relating to the proposed modifications and renewal of the Shareholders' Mandate.

LETTER TO SHAREHOLDERS

5. ABSTENTION FROM VOTING

In accordance with the requirements of Chapter 9 of the Listing Manual, DeClout (being a Mandated Interested Person) will abstain, and has undertaken to ensure that its Associates will abstain, from voting on Ordinary Resolution No. 10, being the Ordinary Resolution relating to the proposed modifications and renewal of the Shareholders' Mandate, in respect of the Shares, if any, held by them respectively. In addition, DeClout will, and has undertaken to ensure that its Associates will, decline to accept appointment as proxy for any Shareholder (being one who is not subject to the foregoing voting restrictions) to vote in respect of Ordinary Resolution No. 10 at the 2017 AGM unless the Shareholder concerned has given specific instructions in his Proxy Form as to the manner in which his vote is to be cast in respect of Ordinary Resolution No. 10 at the 2017 AGM.

6. ACTIONS TO BE TAKEN BY SHAREHOLDERS

Shareholders who are unable to attend the 2017 AGM and wish to appoint a proxy to attend and vote at the 2017 AGM on their behalf, should complete, sign and return the Proxy Form attached to the Notice of AGM in accordance with the instructions printed thereon as soon as possible and, in any event, so as to reach the office of the Company's Share Registrar, Tricor Barbinder Share Registration Services (a division of Tricor Singapore Pte. Ltd.) at 80 Robinson Road, #02-00, Singapore 068898, not less than 72 hours before the time fixed for the 2017 AGM. The completion and return of the Proxy Form by a Shareholder will not prevent him from attending and voting at the 2017 AGM, if he wishes to do so, in place of his proxy.

A Depositor shall not be entitled to attend the 2017 AGM and to speak and vote thereat unless he is shown to have Shares entered against his name in the Depository Register at least 72 hours before the time fixed for the 2017 AGM as certified by CDP to the Company.

ANNEX A – THE SHAREHOLDERS’ MANDATE

Chapter 9 of the Listing Manual

Chapter 9 of the Listing Manual allows a listed company to obtain a mandate from its shareholders for recurrent interested person transactions which are of a revenue or trading nature or for those necessary for its day-to-day operations. These transactions may not include the purchase or sale of assets, undertakings or businesses which are not part of the Company’s day-to-day operations. Transactions between the Group and any Interested Person will constitute an Interested Person Transaction, which is subject to Chapter 9 of the Listing Manual.

The Company anticipates that the Group would in the ordinary course of business, continue to enter into certain transactions with Interested Persons, including but not limited to those categories of transactions described below. It is likely that such transactions will occur with some degree of frequency and may arise at any time. In view of the time-sensitive and/or recurrent nature of commercial transactions, it would be advantageous for the Company to obtain a Shareholders’ mandate to enter into certain Interested Person Transactions in its normal course of business, provided that all such Interested Person Transactions are carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders. A Shareholders’ mandate to enter into certain Interested Person Transactions is subject to annual renewal.

Classes of Mandated Interested Persons

The Shareholders’ Mandate will apply to the Group’s transactions with the DeClout IPT Group (the “**Mandated Interested Persons**” and each a “**Mandated Interested Person**”, all being “interested persons” as defined in the Listing Manual). For the avoidance of doubt, such Mandated Interested Persons would include such persons who may, during such period while such Shareholders’ Mandate is effective, become Mandated Interested Persons where previously they were not so. As at the date of the Company’s prospectus dated 12 July 2016, the Mandated Interested Persons are:

- (a) ~~Acclivis Technologies and Solutions Pte. Ltd.;~~
- (b) ~~PT Acclivis Technologies and Solutions;~~
- (c) ~~OSINet Communications Pte Ltd;~~
- (d) ~~Corous360 Pte. Ltd.;~~
- (e) ~~Corous360 Sdn. Bhd.;~~
- (f) ~~Epicsoft Asia Pte. Ltd.;~~
- (g) ~~Netipay Pte. Ltd.;~~
- (h) ~~Play-E Pte. Ltd.;~~
- (i) ~~Playworks Pte. Ltd.;~~
- (j) ~~Beaqon Pte. Ltd.;~~
- (k) ~~Asia Wiring Systems Pte. Ltd.;~~
- (l) ~~Pacific Wave Pte. Ltd.; and~~
- (m) ~~TJ Systems (S) Pte. Ltd..~~

ANNEX A – THE SHAREHOLDERS’ MANDATE

Transactions with Mandated Interested Persons which do not fall within the ambit of the Shareholders’ Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual.

Mandated Transactions under the General Mandate

The transactions with the Mandated Interested Persons which will be covered by the Shareholders’ Mandate (the “**Mandated Transactions**”) relate to the provision to, or the obtaining from, Mandated Interested Persons of recurrent transactions (such as the purchase and sale of products and services in the normal course of the Company’s business) of a revenue or trading nature or which are necessary for the Company’s day-to-day operations (but not in respect of the purchase or sale of assets, undertakings or businesses which are not part of the Company’s day-to-day operations) comprising the following:

- ~~(a) services rendered by key executives of the Group to the DeClout Group;~~
- ~~(b)~~
- (a) purchases of IT hardware and equipment and Lifecycle Services from the DeClout IPT Group;
- ~~(e)~~
- (b) provision of IT hardware and equipment and Lifecycle Services to the DeClout IPT Group;
- ~~(d)~~
- (c) provision of Shared Services by the DeClout IPT Group to the Group; and
- ~~(e)~~
- (d) back-end IT Support Services from Acclivis; and the DeClout IPT Group.
- ~~(f) operational support services from PT Acclivis.~~

Transactions with other interested persons (other than the classes of Mandated Interested Persons) that do not fall within the ambit of the Shareholders’ Mandate will be subject to the relevant provision of Chapter 9 of the Listing Manual and/or applicable provisions of the Listing Manual and/or any applicable law. Transactions conducted under the Shareholders’ Mandate are not subject to Rule 905 and 906 of Chapter 9 of the Listing Manual pertaining to threshold and aggregation requirements.

Rationale for and Benefits of the Shareholders’ Mandate

The Shareholders’ Mandate and its subsequent renewal on an annual basis would eliminate the need to convene separate general meetings from time to time to seek Shareholders’ approval as and when potential interested person transactions with a specific class of Mandated Interested Persons arise, thereby reducing substantially administrative time and expenses in convening such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to the Company.

The Shareholders’ Mandate is intended to facilitate transactions in the normal course of the Company’s business which are entered into from time to time with the specified classes of Mandated Interested Persons, provided that they are carried out on normal commercial terms and are not prejudicial to the Company and its minority Shareholders.

ANNEX A – THE SHAREHOLDERS’ MANDATE

Review Procedures for the Mandated Transactions with Mandated Interested Persons

The Company has established procedures to ensure that the Mandated Transactions with the Mandated Interested Persons are undertaken on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.

~~(a) Services Rendered by Key Executives of the Group to the DeClout Group~~

~~In connection with the provision of strategic investment and corporate advice, and facilitating integration amongst the DeClout Group, by the key executives of the Group to the DeClout Group, the Company will charge the DeClout Group a fee to be determined on a cost recovery basis, for the personnel-related costs, including the remuneration and its attendant costs such as CPF contributions and insurance, of the key executives assigned to perform the services.~~

~~The CFO or a senior finance staff in the Group (both of whom must have no interest, direct or indirect in the transaction) shall review the time cost entries recorded by the key executives on a quarterly basis to determine whether the personnel-related costs charged to the Mandated Interested Person are fair and reasonable.~~

~~(b)~~

(a) Purchases of IT Hardware and Equipment and Lifecycle Services from the DeClout IPT Group

All contracts entered into or transactions with Mandated Interested Persons are to be carried out by obtaining quotations (wherever possible or available) from at least two (2) other unrelated third party suppliers for similar quantities and/or quality of services or products, prior to the entry into of the contract or transaction with the Mandated Interested Person, as a basis for comparison to determine whether the price and terms offered by the Mandated Interested Person are fair and reasonable and comparable to those offered by other unrelated third parties for the same or substantially similar type of services or products. In determining whether the price and terms offered by the Mandated Interested Person are fair and reasonable, factors such as, but not limited to, availability of IT hardware and equipment and Lifecycle Services in the open market, delivery schedules, specification compliance, track record, experience and expertise, and where applicable, preferential rates, rebates or discounts accorded for bulk purchases, will also be taken into account.

In the event that such competitive quotations from unrelated third party suppliers cannot be obtained (for instance, if there are no unrelated third party vendors of similar products or services, or if the product is a proprietary item), the Company will obtain two (2) quotations (wherever possible or available) from DeClout for similar quantities and/or quality of services or products provided by DeClout to their unrelated third party customers, prior to the entry into the contract or transaction with the Mandated Interested Person, as a basis for comparison to determine whether the price and terms offered by the Mandated Interested Person are fair and reasonable and comparable to those offered by DeClout to other unrelated third party customers for the same or substantially similar type of services or products. In determining whether the price and terms offered by the Mandated Interested Person are fair and reasonable, factors such as, but not limited to, availability of IT hardware and equipment and Lifecycle Services in the open market, delivery schedules, specification compliance, track record, experience and expertise, and where applicable, preferential rates, rebates or discounts accorded for bulk purchases, will also be taken into account.

ANNEX A – THE SHAREHOLDERS’ MANDATE

In the event that such quotations from DeClout’s unrelated third party customers cannot be obtained (for instance, if there are no unrelated third party customer of DeClout of similar products or services, or if the product is a proprietary item), the regional head of sales of the relevant Group Company (who must have no interest, direct or indirect in the transaction) will determine whether the price and terms offered by the Mandated Interested Person are fair and reasonable in accordance with the Group’s usual business practices and pricing policies or industry norms, and taking into account factors such as, but not limited to, the availability of IT hardware and equipment and Lifecycle Services in the open market, delivery schedules, specification compliance, track record, experience and expertise, and where applicable, preferential rates, rebates or discounts accorded for bulk purchases.

Any transaction exceeding an amount of S\$100,000 must be approved by the CFO (who must have no interest, direct or indirect in the transaction), and transactions exceeding an amount of S\$500,000 must be approved by the Audit Committee (whose members must have no interest, direct or indirect in the transaction) prior to entry into the transaction.

(e)

(b) Provision of IT Hardware and Equipment and Lifecycle Services to the DeClout IPT Group

All contracts entered into or transactions with Mandated Interested Persons are to be carried out at the prevailing market rates or prices of third-party service or product providers for similar transactions, on terms which are no more favourable to the Mandated Interested Person than the usual commercial terms extended to unrelated third parties (including, where applicable, preferential rates/prices/discounts accorded to corporate customers or for bulk purchases) or otherwise in accordance with applicable industry norms. The Company will make comparisons with at least two (2) other contracts or invoices issued to unrelated third parties for the same or substantially similar types of transactions.

Where the prevailing market rates or prices are not available due to the nature of service to be provided or the product to be sold, the regional head of sales of the relevant Group Company (who must have no interest, direct or indirect in the transaction) will determine whether the Group’s pricing for such services to be provided or products to be sold to the Mandated Interested Person are fair and reasonable in accordance with the Group’s usual business practices and pricing policies or industry norms, and taking into account factors such as, but not limited to, the availability of IT hardware and equipment and Lifecycle Services in the open market, delivery schedules, specification compliance, track record, experience and expertise, and where applicable, preferential rates, rebates or discounts accorded for bulk purchases.

Any transaction exceeding an amount of S\$100,000 must be approved by the CFO (who must have no interest, direct or indirect in the transaction), and transactions exceeding an amount of S\$500,000 must be approved by the Audit Committee (whose members must have no interest, direct or indirect in the transaction) prior to entry into the transaction.

(d)

(c) Provision of Shared Services by the DeClout IPT Group to the Group

In connection with the provision of the Shared Services by the DeClout IPT Group to the Group, the DeClout IPT Group and the Group have entered into a shared services agreement (the “**Shared Services Agreement**”). Under the terms of the Shared Services Agreement, the Group shall pay to the DeClout IPT Group fees for the Shared Services to be determined based on a cost recovery basis, taking into account all personnel-related costs of personnel assigned to perform the Shared Services comprising remuneration and its attendant costs such as CPF contributions and insurance.

The CFO or a senior finance staff in the Group (both of whom must have no interest, direct or indirect in the transaction) shall review DeClout’s time costs of DeClout’s personnel providing such Shared Services on a quarterly basis to determine whether the personnel related costs charged by the Mandated Interested Person are fair and reasonable.

(e)

(d) Back-end IT Support Services from Aeclivisthe DeClout IPT Group

The Group will make comparisons against the quotations obtained from at least two (2) other comparative offers from unrelated third parties that are reasonably contemporaneous in time, to ensure that the cost of procuring similar back-end IT Support Services is no less favourable to the cost of procuring the back-end IT Support Services from Aeclivisthe DeClout IPT Group. Comparisons will be made taking into consideration, amongst other things, the price, standard of services, convenience of procurement, experience and expertise.

In the event that such competitive quotations from unrelated third party service providers cannot be obtained (for instance, if there are no unrelated third party suppliers of similar services), the Company will obtain two (2) quotations (wherever possible or available) from Aeclivisthe relevant DeClout IPT Group Company for similar quantities and/or quality of services provided by Aeclivisthe relevant DeClout IPT Group Company to its unrelated third party customers, prior to the entry into the contract or transaction with the Mandated Interested Person, as a basis for comparison to determine whether the price and terms offered by the Mandated Interested Person are fair and reasonable and comparable to those offered by Aeclivisthe relevant DeClout IPT Group Company to other unrelated third party customers for the same or substantially similar type of services. In determining whether the price and terms offered by the Mandated Interested Person are fair and reasonable, factors such as, but not limited to, availability of the back-end IT Support Services in the open market, specification compliance, track record, experience and expertise, and where applicable, preferential rates, rebates or loyalty discounts, will also be taken into account.

In the event that such quotations from Aeclivisthe relevant DeClout IPT Group Company’s unrelated third party customers cannot be obtained (for instance, if there are no unrelated third party customer of Aeclivisthe relevant DeClout IPT Group Company of similar services), the Global CEO (who must have no interest, direct or indirect in the transaction) will determine whether the pricing for such services to be procured from the Mandated Interested Person is fair and reasonable in accordance with the Group’s usual business practices and pricing policies or industry norms, and taking into account factors such as, but not limited to, the availability of such back-end IT support services in the open market, specification compliance, track record, experience and expertise. In the event that the Global CEO has an interest in the transaction, the Global President (who must have no interest, direct or indirect in the transaction) will be responsible for such determination.

ANNEX A – THE SHAREHOLDERS’ MANDATE

Any transaction exceeding an amount of S\$100,000 must be approved by the CFO (who must have no interest, direct or indirect in the transaction), and transactions exceeding an amount of S\$500,000 must be approved by the Audit Committee (whose members must have no interest, direct or indirect in the transaction) prior to entry into the transaction.

(f) ~~Operational Support Services from PT Acclivis~~

~~In connection with the provision of operational support services from PT Acclivis to the Group, PT Acclivis will charge the Group, on a cost recovery basis, all personnel-related costs, comprising remuneration and its attendant costs such as insurance, of personnel assigned to perform the operational support services.~~

~~The CFO or a senior finance staff in the Group (both of whom must have no interest, direct or indirect in the transaction) shall review the time cost entries recorded by PT Acclivis’ personnel on a quarterly basis to determine whether the personnel-related costs charged by the Mandated Interested Person are fair and reasonable.~~

Approval Threshold

In addition to the review procedures, the following thresholds will apply to the Mandated Transactions:

- (a) where the aggregate value of the Mandated Transactions is of an amount of more than 5.0% and less than 10.0% of the latest audited consolidated NTA of the Company, any Mandated Transaction thereafter which is equal to or less than S\$20,000 in value will be reviewed and approved by the CFO and any Mandated Transaction thereafter which exceeds S\$20,000 in value will be reviewed and approved by the Global CEO; and
- (b) where the aggregate value of the Mandated Transactions is of an amount of more than 10.0% of the latest audited consolidated NTA of the Company, any Mandated Transaction thereafter which is equal to or less than S\$50,000 in value will be reviewed and approved by the Global CEO and any Mandated Transaction thereafter which exceeds S\$50,000 in value will be reviewed and approved by the Audit Committee.

For the avoidance of doubt, transactions below S\$100,000 will be included for the purposes of the aforementioned thresholds.

The above approval thresholds are adopted after taking into account, amongst other things, the nature, volume, recurrent frequency and transaction size as well as the Group’s day-to-day operations, administration and businesses. The approval thresholds act as an additional safeguard to supplement the review procedures to be implemented for the Mandated Transactions.

Any of the persons referred to above may, as he deems fit, request for additional information pertaining to the transaction from independent sources or advisers.

If any of the persons referred to above:

- (a) is an interested person in respect of that particular Mandated Transaction to be reviewed;
- (b) has an interest, whether direct or indirect, in relation to that particular Mandated Transaction; and/or
- (c) is otherwise not considered independent in relation to that particular Mandated Transaction,

ANNEX A – THE SHAREHOLDERS’ MANDATE

he will, and will undertake to ensure that his Associates will, abstain from any decision-making in respect of that particular Mandated Transaction.

Other Review Procedures

The Group has implemented the following procedures for the identification of Interested Person Transactions (including the Mandated Transactions) and Interested Persons (including the Mandated Interested Persons) and the recording of all Interested Person Transactions:

- (a) the Company will maintain a list of Interested Persons (which will be reviewed by a senior finance staff of the Company on a quarterly basis and updated as necessary) and will disclose the list to the relevant staff of the Group to enable the identification of the Interested Persons on a quarterly basis or as and when there are updates;
- (b) the CFO and/or a senior finance officer of the Company (both of whom must have no interest, direct or indirect in the transaction) (the “**IPT Committee**”) will maintain two (2) registers of all transactions (including all transactions below S\$100,000) carried out with Interested Persons including the Mandated Interested Persons (recording the basis and the quotations, if any, obtained to support such basis on which these transactions are entered into, whether mandated or non-mandated). One (1) register shall be maintained to record Mandated Transactions and the other register shall be maintained to record Interested Person Transactions which are not classified as Mandated Transactions. The registers shall be submitted to the Audit Committee for review on a quarterly basis. Any discrepancies or significant variances (as determined by the Audit Committee) from the Group’s usual business practices and pricing will be highlighted to the Audit Committee; and
- (c) the Company’s annual internal controls plan shall incorporate a review of all Interested Person Transactions (including Mandated Transactions), including the established review procedures for the monitoring of all such transactions.

If during any of the reviews by the Audit Committee, the Audit Committee is of the view that the guidelines and review procedures for Mandated Transactions have become inappropriate or insufficient in the event of changes to the nature of, or manner in which, the business activities of the Group or the Mandated Interested Persons are conducted, the Company will seek a fresh general mandate from Shareholders based on new guidelines and review procedures so that Mandated Transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

The Audit Committee has the overall responsibility for determining the review procedures, with the authority to delegate to individuals within the Company as it deems appropriate. The Audit Committee will conduct periodic reviews (of not more than quarterly intervals) of the review procedures for the interested person transactions. If, during these periodic reviews, the Audit Committee is of the view that these review procedures are no longer appropriate to ensure that the Interested Person Transactions are transacted on normal commercial terms and will not be prejudicial to the interest of the Company and/or its minority Shareholders, the Company will seek a fresh mandate from Shareholders based on new review procedures for Interested Person Transactions.

In the event that any member of the Audit Committee has an interest in a transaction, he shall, and shall undertake to ensure that his Associates shall, abstain from participating in the review and approval process in relation to that transaction.

ANNEX A – THE SHAREHOLDERS’ MANDATE

Dear Sirs

THE PROPOSED MODIFICATIONS, AND RENEWAL OF THE SHAREHOLDERS' MANDATE FOR INTERESTED PERSON TRANSACTIONS

Unless otherwise defined herein, all terms defined in the Appendix shall have the same meanings in this letter.

1. INTRODUCTION

Procurri Corporation Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) first obtained a mandate pursuant to written resolutions approved by the shareholders of the Company (the “**Shareholders**”) on 27 June 2016 to enable the Group to enter into certain recurring interested person transactions (the “**2016 IPT Mandate**”). Pursuant to Rule 920(2) of the Listing Manual, the Company may treat a general mandate as having been obtained from Shareholders for the Group to enter into interested person transactions, if the information required under Rule 920(1)(b) of the Listing Manual is included in the Company’s prospectus issued in connection with its initial public offering and admission to the Official List of the SGX-ST.

The Company is proposing modifications to the 2016 IPT Mandate and wishes to seek the approval of the Shareholders for the proposed modifications and renewal of the 2016 IPT Mandate (the “**2017 IPT Mandate**”) permitting the Group to enter into recurring interested person transactions as set out in the section entitled “Mandated Transactions under the General Mandate” in Annex A of the Appendix (the “**Recurrent IPTs**”) with its interested persons comprising DeClout Limited and its associates (collectively, the “**DeClout Group**”). The modifications to the 2016 IPT Mandate relate to (a) the widening of the classes of Mandated Interested Persons from DeClout and its subsidiaries to DeClout and its Associates; (b) the deleting of the services rendered by key executives of the Group to the

ANNEX B – LETTER FROM SAC CAPITAL PRIVATE LIMITED TO THE NON-INTERESTED DIRECTORS

DeClout Group; (c) the deleting of the transactions between the Group and each of Acclivis and PT Acclivis; and (d) the incorporation of two (2)-tier review and approval requirements for the approval thresholds.

Pursuant to Chapter 9 of the Listing Manual of Singapore Exchange Securities Trading Limited (the “**SGX-ST**”), the Company has appointed us as the independent financial adviser (“**IFA**”) to the Directors who are considered independent in respect of the proposed 2017 IPT Mandate (the “**Non-Interested Directors**”).

This letter, which sets out our evaluation of the review procedures under the proposed 2017 IPT Mandate, will form part of the Appendix to seek the approval of the Shareholders for the proposed 2017 IPT Mandate.

2. TERMS OF REFERENCE

We have been appointed as the IFA to the Non-Interested Directors to express an opinion, for the purposes of Chapter 9 of the Listing Manual, on whether the methods or review procedures of the Company for determining transaction prices of the Recurrent IPTs, if adhered to, are sufficient to ensure that the Recurrent IPTs will be conducted on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

We were not privy to the negotiations entered into by the Company in relation to the Recurrent IPTs as contemplated under the proposed 2017 IPT Mandate nor were we involved in the deliberations leading up to the decision of the Directors to undertake the proposed 2017 IPT Mandate. Accordingly, no representation or warranty, expressed or implied, is made by us and no responsibility is accepted by us concerning the accuracy, completeness or adequacy of such information or facts.

Our opinion, as set out in this letter, is based on the market, economic, industry and other applicable conditions prevailing on, and the information made available to us as of 17 March 2017 (the “**Latest Practicable Date**”). Such conditions may change significantly over a relatively short period of time and we assume no responsibility to update, revise or reaffirm our opinion in the light of any subsequent development after the Latest Practicable Date that may affect our opinion contained herein.

In arriving at our opinion, we have not had regard to the specific investment objectives, financial situation, tax position or individual circumstances of any Shareholder or any specific group of Shareholders. We recommend that any individual Shareholder or group of Shareholders who may require specific advice in relation to his or their investment portfolio(s) should consult his or their legal, financial, tax or other professional advisers.

Our opinion in relation to the proposed 2017 IPT Mandate should be considered in the context of the entirety of this letter and the Appendix.

The Company has been separately advised by its own advisers in the preparation of the Appendix (other than this letter). We have had no role or involvement and have not provided any advice, financial or otherwise, in the preparation, review and verification of the Appendix (other than this letter).
